SPECIALIST IN DOORS, STAINED GLASS, FIREPLACES AND FLOORS - HOME COUNTIES

## Town House Doors

## The Collection

The main entrance to your town house makes a statement about you and your sense of style. The first thing that you see when coming home or going out, it has to be something that not only feels right, but also is both solid and secure.

Our comprehensive collection of original Georgian, Victorian and Edwardian designs can help restore your entrance to its former glory. We help clients restore their properties with quality doors made from timbers that have stood the test of time and are constructed using techniques from an age when doors were built to last. An investment in a timeless design that can only add value to your property.

# Town House Doors - Fine Details

## Georgian, Edwardian and Victorian Town House Doors

Arc Reclamation offers a complete door restoration service using the very best reclaimed Georgian, Edwardian and Victorian Town House doors and door frames.

The original architects of these eras designed individual doors to suit each property. Often made to measure, constructed using quality timber and over engineered to last the test of time.

We believe in carrying forward these passions and use our knowledge and skills to give back to the home the quality and original feature it deserves.

Available in old oak, pine and other woods, doors are sold as available or restored to their full glory. .

## The Complete Service

With one of the largest collections of reclaimed doors in the country and a restoration facility that finishes doors to modern standards, including new frames, fitting locks, matching door furniture and even stained glass we offer a unique complete service including fitting that leaves our clients with peace of mind.

We also repair and restore frames to match. If one is not available to suit your choice of door we can hand craft a bespoke frame in our workshops.

We are unique in introducing modern features hidden within the door including security locks, draught exclusion, toughened safety glass and double glazing, providing a restored door that is safe, secure and sound, to modern standards.

**With over 1000 doors in stock** ranging from 18th C oak country cottage, Georgian, Edwardian and Victorian and many more unusual and ornate designs we have the one of the largest ranges available, for you to choose the door to suit your style and make an impression to your visitors.
